

WERMA drying panels: "Elegance"-line offer a stable and elegant design. The shape of the handles makes it easy to place low shoes, boots, sneakers and prevents them from smelling. The drying process is most effective when the toetip of the shoe is pointing upwards. The flat front surface makes the panel easy to clean.

Model ELEGANCE

Easy to place boots, sneakers and gloves on the drying panel. Effective drying process and easy to clean. Programmable 24 – hour time.

Technical data:

- power connection 230 V / 50 Hz with European power outlet
- made with high quality steel
- 24 hour timer
- maintenance-free fan.
